From the first conversation to the final box unpacked, Cend Signature Services brings every part of your move under one roof — so you never have to coordinate a patchwork of vendors, or carry the weight of a transition alone.

ONE PARTNER, EVERY STEP

Everything Your Move Requires

Most moves involve a dozen moving parts — sorting, selling, donating, packing, shipping, storing, staging, and settling in. Cend handles them all. Your dedicated Personal Move Manager is your single point of contact, coordinating every service and every detail so the process feels seamless, unhurried, and entirely yours.

WHY IT MATTERS

The Power of a Single Point of Contact

- One team managing every service — no juggling vendors
- A clear plan and timeline tailored to your goals
- Cherished items honored, valued, and placed with care
- Less stress for you and the people who love you
- You arrive settled, organized, and ready to enjoy it

With everything handled by one partner, a transition becomes a fresh start.

A COMPLETE SUITE OF SERVICES

From First Decision to Final Box

Cend's services follow the natural arc of a move. Choose the full journey or only the pieces you need — every service is delivered with the same care.

01 Plan & Right-Size

Downsizing & Rightsizing

A guided plan to match your belongings to your next chapter — built around your timeline, space, and goals.

Space Planning for Your New Home

We map how your furniture and treasures will fit and feel before a single box is packed.

Decluttering

Compassionate, no-pressure help sorting through a lifetime of belongings, room by room.

02 Lighten the Load

Discard

Responsible removal and disposal of items that have reached the end of their useful life.

Appraisal, Sales & Auction

Professional appraisal and sale of art, collections, and valuables to capture their full worth.

Donate

Coordinated giving to worthy causes — with documentation for your tax records.

Full Estate Clean-Out

Complete, respectful clearing of a home from attic to basement — nothing left for you to manage.

Dispersal to Family & Friends

Thoughtful distribution and careful shipping of cherished items to the people who'll treasure them.

Multi-Property Consolidation

Bringing belongings from multiple homes together into one organized, right-sized space.

05 Prepare & Sell the Home

Staging a Home for Sale

Presenting your home at its very best to attract buyers and maximize its market value.

Real Estate Professional Connections

We connect you with trusted, vetted agents to sell your home with confidence.

04 The Move

Packing

Careful, professional packing of everything from everyday goods to fragile heirlooms.

Domestic & International Moving

Coordinated relocation anywhere in the country or around the world.

Storage

Access to a nationwide and global network of secure, professional storage facilities.

Vehicle Transport

Safe, insured transport of cars and other vehicles to your new location.

Pet Transportation

Calm, comfortable transport so beloved pets arrive safely alongside the family.

Specialty Item Handling

Expert care for pianos, antiques, fine art, and other one-of-a-kind possessions.

Trained crews, careful hands — your belongings treated as if they were our own.

05 Settle In

Unpacking

Careful unpacking of every box, room by room, at your direction and pace.

Putting Away & Organizing

Thoughtful placement of belongings into closets, cabinets, and drawers.

Furniture Placement

Arranging each piece to match your space plan so the home feels right from day one.

Home Setup

Beds made, electronics connected, and daily essentials ready the moment you arrive.

THE CEND DIFFERENCE

Why Families Choose Cend

A move is rarely just logistics — it's an emotional milestone. Cend brings expertise and genuine care to every step, so the experience feels as good as the outcome.
